HEATING AND COOLING APPLIANCES

Listing by Report

Heating and Cooling Appliances are listed under a service designated as *Listing by Report*. The description of these products or construction, and information concerning proper field assembly and/or installation are contained in the listing report. The PFS label on these products is evidence that the manufacturer is under contract with PFS for trademarking and follow-up inspection service. PFS is recognized by the *International Accreditation Service, Inc. (IAS)* and the *Standards Council of Canada (SCC)* as a nationally recognized testing laboratory and quality assurance agency for heating and gas appliances.

For fireplace mantle installations, hearth extensions and floor protection see manufacturer's installation instructions.

Note: Where a superscript number 1, 2 or 3 (^{1,2,3}) appears after the client's listing in the following pages, please refer to Page 2 of the Table of Contents for a written explanation.
