CONSTRUCTION ADHESIVE MANUFACTURERS

Listing by Certification Marking

Construction Adhesives are listed under a service designated as *Listing by Certification Marking*. Adhesives are tested for conformance with one or any of the combination of the following specifications/standards: *AFG-01, Adhesives for Field-Gluing Plywood to Wood Framing; ASTM D 3498, Adhesives for Field-Gluing Plywood to Lumber Framing for Floor Systems (including HUD-FHA Use of Materials Bulletin UM 60a); ASTM C 557, Adhesives for Fastening Gypsum Wallboard to Wood Framing; and ASTM D 6464, Expandable Foam Adhesives for Fastening Gypsum Wallboard to Wood Framing.*

The PFS certification mark identified on the said product(s) is evidence that the manufacturer is under contract for certification marking and follow-up inspection service.

Note: Where a superscript number 1, 2 or 3 (^{1,2,3}) appears after the client's listing in the following pages, please refer to Page 2 of the Table of Contents for a written explanation.

(Look for any one or combination of these Certification Marks)
