**Chapter 18**

**FORMALDEHYDE EMISSIONS OF COMPOSITE WOOD PRODUCTS  
(CARB PROGRAM)**

---

---

Listing by Certificate of Conformance

Composite Wood Products (hardwood plywood, particleboard, medium density fiberboard, are listed under a program regulated by the California Air Resources Board (CARB), a division of the California Environmental Protection Agency.

PFS, acting as a CARB-approved third party certifier (TPC-3), tests composite wood products utilizing *ASTM E1333-96 (2002)* or *ASTM D6007-02*. Product that complies with the emissions requirements specified in the California Code of Regulations, Title 17, Section 93120-93120.12, *Airborne Toxic Control Measure to Reduce Formaldehyde Emissions from Composite Wood Products*, is eligible for labeling. The TPC-3 label on the product is evidence that the manufacturer is under contract for follow-up services with PFS Corporation.

---

---

(At a minimum, the Label will include the following)

- Manufacturer name
- Product lot number or batch produced
- Reference to compliance with Phase 1 or 2 emission standards,  
or that it was made using ULEF resins or no-added formaldehyde based resins
- PFS Corporation's CARB assigned number, TPC-3
