**Chapter 2**

**HUD MANUFACTURED HOMES**

---

---

Listing by BSAR

HUD manufactured homes are listed under a service designated as "*Listing by Building System Acceptance Report*" ("*BSAR*"). The description of product(s) or construction and information referencing proper field assembly and/or installation are contained in the current BSAR. The PFS DAPIA acceptance number associated with the BSAR is listed with each manufacturer in this chapter.

PFS is accepted by HUD as a Design Approval Primary Inspection Agency (DAPIA) and Production Inspection Primary Inspection Agency (IPIA). The HUD manufactured homes are certified to the *Federal Manufactured Home Construction and Safety Standards*.

Look for PFS on the manufacturer's data plate for DAPIA approval and PFS letters on the HUD label for IPIA inspections.
