BUILDING COMPONENTS

Listing by BCAR

Building components are listed under a service designated as *Listing by Building Components Acceptance Report (BCAR)*. The description of product(s) or construction and information are referenced in the current BCAR. The PFS certification mark and/or IAS AA-652 identified on the PFS stamp on the said product(s) is evidence that the manufacturer is under contract for trademarking and follow-up inspection service.

The building components are certified to a model building code standard and/or product standard(s).

Note: Where a superscript number 1, 2 or 3 (^{1,2,3}) appears after the client's listing in the following pages, please refer to Page 2 of the Table of Contents for a written explanation.
