**Chapter 8**

**BUILDING PRODUCTS - STANDARDS COUNCIL OF CANADA  
ACCEPTED CERTIFICATION PROGRAMS**

---

---

Listing by BCAR

Building products are listed under a service designated as *Listing by Building Components Acceptance Report (BCAR)*. The description of product(s) and information are referenced in the current BCAR. The PFS certification mark on the said product(s) is evidence that the manufacturer is under contract for trademarking and follow-up inspection service.

The building product(s) are certified to standards recognized by the *Canadian Regulatory Authorities*.
